## PROFILE

I am a first year B-Tech student at KJ Somaiya college of engineering. I am a young enthusiast seeking to gain experience, fun and a lot and lot of memories. I like to work hard and to work under pressure. I like to lead and perform in team whenever working together with other fellow mates. With this opportunity I want to focus on my inner development and want to become more passionate towards my work and towards every challenge waiting for me.

## SKILLS

- GOOD LISTENER AND SPEAKER
- CAN PERFORM/PRESENT IN FRONT OF AN AUDIENCE
- TEAM PLAYER
- CONFIDENT AND CREATIVE
- PROFICIENCY IN ENGLISH AND HINDI
- MS OFFICE AND GOOGLE SERVICES
- SELF-DEPENDENCY

## PARTICIPATIONS

### Cultural activities

- Has represented my school in debate competition several times in Hindi and English as well. Has represented my district at state level debate competition and was ranked 4<sup>th</sup> in it. I also won cash prizes 3 times in district level debate competitions.
- Participated in drama competition in school level.
- Performed various sketches and skits at school level and also anchored many.
